

## Hammond – Skuthorp

James Skuthorp married Felicity Hammond on October 4, 2014.

Perfect spring sunshine set the scene for the couple's big day. After a traditional Catholic ceremony at the St Laurence O'Toole church in Forbes, the 150 guests travelled out to Felicity's family farm "West Plains" for a truly personalised reception.

Bouquets and flowers supplied by Floreat Floral and native arrangements done by family members complemented the property's stunning garden. Moggas Marquees provided the amazing marquee, and the day ran seamlessly and with style thanks to the involvement of Melissa Bowman Weddings.

Eat Your Greens provided quality catering, and Denise of D.A Yates Photography and Design captured the essence of the day and the couple's personalities perfectly. Felicity's designer Delphine Manivet gown was the ideal match for this elegant country wedding. Entertaining speeches and a very meaningful performance of *The Rose* by Felicity's mum topped off an amazing night.

The couple honeymooned in Noosa before returning to their home in Dubbo.
